

# Adventures Within Summer Day Camp

Dear Parents/Guardians,

Welcome to the sixth annual Hart of Autism Summer Camp! We have received your application and are looking forward to working closely with you and your child. Your child will be participating in the “Adventures Within” camp. This camp will run much similar to those in the past. “Adventures Within” camp is designed to be a fun, individualized, interactive and learning experience for your child. We will focus and work on numerous skills such as fine motor, sensory integration, socials skills, large and small group play, following group instructions, functional skills, academics and much more.

Camp begins Monday, June 25th and runs through Wednesday, June 27th. Each day camp will begin at 8:00am and end at 2:30pm. To ensure your child is adequately prepared for camp we have included items and materials needed for the week. If you have any questions please do not hesitate to contact us. We look forward to seeing you soon!

Thanks,

Christa Middleton and Molly Caswell
